

# Get a head start with our early childhood education programs

Do you have a child three or under? Do you receive TANF, SSI, SNAP, PFCC benefits? Is your family income at or below the poverty level? Experiencing homelessness? If so, The Ohio State University Early Head Start Partnership Program can help.

## OUR PROGRAMS INCLUDE:

- An EHS team member who connects families to community resources
- Comprehensive services that provide medical, dental, hearing, behavioral health, nutrition, and early intervention services
- Parental involvement that encourages family well-being and stability

## EARLY CHILDHOOD EDUCATION

Experiences are offered at child care centers, family child care homes and home-based learning to help children grow to their highest potential.

### Home Visiting Program

- 90 minute weekly home visits
- Bi-monthly group activities
- Identifying family strengths to build a nurturing environment

### Center and Family Child Care

- High-quality early childhood education slots at 14 child care centers and 11 family child care homes located in high-priority income zip codes

### Prenatal Services

- Education on breastfeeding, safe sleep, healthy eating, well checks, reducing stress, and positive parenting skills
- Support during pregnancy, six weeks after birth, and the opportunity to learn about early education beginning at birth
