About the COVID-19 Response

Franklin County's new COVID-19 Response PRC Program provides relief for eligible families impacted by the public health emergency.

These one-time assistance payments can help families cover the cost of emergent needs as a result of the COVID-19 pandemic. Payments can only be used for TANF-eligible expenses.

This limited-time program will be in effect until funding is exhausted or until 60 days after the COVID-19 public health emergency ends.
