

I was feeling:

<p>Angry</p> 	<p>Sad</p> 	<p>Worried</p> 	<p>Tired</p> 
<p>Scared</p> 	<p>Hyper/Silly</p> 	<p>Frustrated/Sick</p> 	<p>Embarrassed</p> 

Because:

<p>School work/Tests</p> 	<p>Angry Teacher</p> 	<p>Too Much Energy</p> 	<p>Touched/Bullied</p> 
<p>Hurtful Words</p> 	<p>Missing Someone</p> 	<p>Making a Mistake</p> 	<p>Other</p>

What helped:

<p>Breathing</p> 	<p>Coloring</p> 	<p>Listening</p> 	<p>Reading</p> 
<p>Squeezing</p> 	<p>Fidgeting</p> 	<p>Exercising</p> 	<p>Other</p>
