is at Crittenton Community Center this year

May 6 , 2026 3:30pm

We invite you to be a Program Partner & join us for our signature State of the Child event. This year, we are moving beyond a traditional showcase to create an immersive, meaningful experience, one that invites you to step into the world of the after-school youth we serve. You'll have the opportunity to connect directly with young people and experience firsthand how our programs are shaping resilience, healing, and hope in their lives.
